Cattery requirements

All our guests must be up to date with their vaccinations, flea treatment and deworming while staying with us. **If vaccinations are due around the time of their stay please make arrangements to have these done at least 2 weeks prior to coming in (including booster vaccinations).** If we find any fleas or flea dirt we will treat them while they are with us, which will incur extra costs.

If your cat is vaccinated at another veterinary clinic, we will need proof of this in the form of a vaccination certificate from your vet. Please also provide us the dates of the last flea and worming treatments when being admitted to our cattery. Please email this in advance.

Please provide a written history from your veterinarian if your cat has any medical conditions that require ongoing care. This is best emailed in advance.

If your cat is on medication or a specific diet, please inform us below and bring these and specific instructions in with you. We can provide prescription food at an additional cost.

Booking requirements

To confirm your cat's booking, a deposit of \$150 or the total amount of your stay (if your stay totals less than \$150) is required.

We will confirm your booking via email once we have received this completed form and your deposit. Our cattery may become fully booked at any stage.

If, for any reason the length of your cat's stay is shortened or cancelled, you will be charged for the dates requested on this form that fall between 20th December 2020 and 24th January 2021.

If you need to extend their stay after you have returned this form, we will try to accommodate your needs where possible, however this will be subject to space availability.

CANCELLATION WILL MEAN A LOSS OF YOUR DEPOSIT.

In the event that we have any concerns about your cat's wellbeing we will contact you immediately. If we are unable to contact you/the owner via the phone numbers and email addresses provided, we will provide the necessary care which will incur normal veterinary fees up to the value of \$200.
